PMB Chamber Coffee Conversations Spark Women Workplace Discussions

HR and the role of business leaders were discussed at the Coffee Conversations forum.

The *Coffee Conversations* forum, hosted by Shannon Lawrence and Aneleh De Villiers of Redfern Incorporated Attorneys, created an engaging space for discussing women's workplace challenges and opportunities at the **Pietermaritzburg and Midlands Chamber of Business** last week. The session covered key themes like sharing experiences, workplace equity, career growth, leadership, and balancing work-life demands including mental health. Our director was part of this engagements where PMCB members contributed practical insights and strategies for businesses to adopt. Emphasizing the role of HR and business leaders, the discussion highlighted how inclusive workplaces enable talent to thrive regardless of gender.

Incema Camp

On the 25th and 26th of the month all our boys aged between 13-18 years attended the Incema boys camp at Arthur Blaxall school. Young people were engaged in different educational programmes including understanding the reasons for *ukuhlahlela inhloko*, cultural identity, substance abuse, behavior management, gender-based violence and soccer.

Heritage Day Celebrations

Our young people celebrated Heritage Day along side the Harley Davidson group of South Africa, the Pietermaritzburg chapter as our donors and partners. The programme of the day accommodated our visitors as they were also doing the handing over of items they had prepared for the young people. Our young people were dressed in their respective cultural attires and participated in music and dance.
